

TG1050 CENTRIC 1

When you need a rugged glove that works in wet or dry conditions, this is the one. And if you also demand excellent dexterity, the 15-gauge nylon lightweight construction won't let you down. The high stretch nylon liner combined with an X-Dura coating on the palm and fingers helps to protect against abrasions and offers an outstanding wearer experience. What more could you ask for?

X-DURA LATEX
