

# TG1080 CHEMIC 1

For an excellent glove for use in dry, wet, oily and cold conditions, look no further than the Chemic 1. The black LiquiDex coating on palm and fingers offers protection from chemicals while the cotton liner adds additional comfort and warmth. Ideal for any application requiring the handling of chemicals.

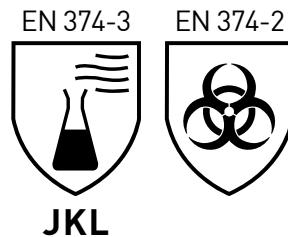

**LIQUIDEX**

### MAINTENANCE

Gloves should be frequently inspected for excessive wear. Laundering could affect the cut resistance of the glove.

### DISPOSAL

Worn gloves should be disposed of in the proper containers.

### STORAGE

Gloves should be stored in original packaging away from excessive heat and wet conditions.
