

# TG1140 MORPHIC 1

The Morphic 1 is an excellent glove ideal for use in dry, wet and oily conditions. The lightweight, 15-gauge nylon construction offers improved dexterity. If the job requires oil resistance and extra gripping power, the black Microdex Ultra coating on the palm and fingers delivers.

**MICRODEX ULTRA**

### MAINTENANCE

Gloves should be frequently inspected for excessive wear. Laundering could affect the cut resistance of the glove.

### STORAGE

Gloves should be stored in original packaging away from excessive heat and wet conditions.

### DISPOSAL

Worn gloves should be disposed of in the proper containers.

Sanitized®
