

B

TG3210

A lightweight PU Cut level B glove compliant to EN388:2016. The close fitting design, good abrasion and tear resistance and grip makes it an ideal choice for most general handling tasks in dry conditions.

POLYURETHANE

Key Features

- Lightweight and comfortable
- Durable PU coating
- Breathable
- Close fitting knit wrist
- EN388:2016 compliant

Ideal for

- Assembly tasks in dry conditions
- Materials handling
- Maintenance
- Light Engineering
- Construction trades
