

# TG5210

A lightweight Cut level C glove compliant to EN388:2016. The PU coating offers excellent grip in dry conditions. Close fit and high tear and abrasion resistance makes this glove a good choice for general handling tasks with a cut risk.

POLYURETHANE

## Key Features

- Lightweight and comfortable
- Durable PU coating
- Breathable
- Close fitting knit wrist
- EN388:2016 compliant

## Ideal for

- Metal stamping
- Automotive assembly
- Glass manufacturing
- HVAC
- Material handling

### MAINTENANCE

Gloves should be frequently inspected for excessive wear. Laundering could affect the cut resistance of the glove.

### DISPOSAL

Worn gloves should be disposed of in the proper containers.

### STORAGE

Gloves should be stored in original packaging away from excessive heat and wet conditions.
