

TG5140 MORPHIC 5

The Morphic 5 is made from a blend of nylon, HPPE and glass that provides close-fitting comfort. The MicroDex Ultra coating on palm and fingers offers excellent grip in dry, wet and oily conditions. The reinforced thumb crotch extends the life of the glove, making it durable even in the toughest of applications. The cut level 5 makes it ideal for use in precision assembly or applications where cut protection and dexterity is needed.

MICRODEX ULTRA

Key Features

- MicroDex Ultra coating
- Ergonomic design
- Reinforced thumb crotch

Ideal for

- Precision assembly
- Metal fabrication
