

TG5150 MORPHIC XP 5

The Morphic XP 5 is a close-fitting and flexible glove ideal for precision assembly. Made from 13-gauge nylon, HPPE and glass blended fibers, this glove offers level 5 cut resistance and has a MicroDex Ultra coating that delivers excellent grip in dry, wet and oily conditions. Features an extended cuff for extra protection of the forearm and wrist. The reinforced thumb crotch extends the life of the glove and provides additional durability.

MICRODEX ULTRA
