## WHAT OUR CUSTOMERS SAY

“ Through a staff working group, workers described the gloves as ‘excellent’ and ‘good’ and we realised that it is now possible to provide high level cut protection without sacrificing dexterity or comfort.”

**Stephen Hall**  
Assistant Director for Highways and Transport at Cumbria County Council

“ I would highly recommend TraffiGlove on all cut levels they offer high quality products that are reasonably priced. Using these gloves has improved our compliance in health & safety.”

**Sebastian Lik**  
QFS Scaffolding

“ All participants of the glove group wanted to carry on using them, giving comments such as, “They’re brilliant; amazing”, “I absolutely love them; I wouldn’t want to do my job without them.” One even said they had boosted her morale and made her work faster!”

**Michael Watkins**  
Occupational Health Nurse Advisor, Royal United Hospitals Bath NHS Foundation Trust
